

Practical 7: Using Google Drive / OneDrive

Aim-

To upload and organize files in cloud storage.

Objectives-

- To manage files online
- To share files securely

Materials Required

- Google Drive / OneDrive account

Procedure-

1. **Create folder “Unit 3 Practical Work”**

Open Google Drive or your file manager and create a new folder named “**Unit 3 Practical Work.**”

This folder will store all files related to the practical.

2. **Upload documents**

Click the **Upload** option and select the required documents from your device.

The files will be saved inside the main folder for easy access.

3. **Create subfolders**

Inside the main folder, create additional subfolders to categorize your documents.

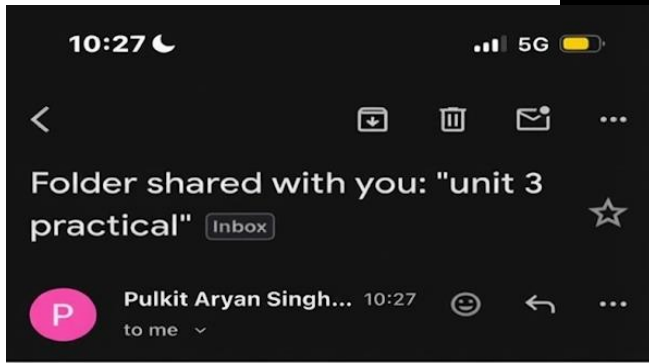

This helps keep your work organized and easy to locate.

4. **Share main folder with View only**

Right-click the folder, choose **Share**, and set the permission to **View only** for others.

This allows people to see the contents but prevents them from editing or deleting files.
